Dear Tim and Friends from Lehigh Valley Ad Club,

When I opened the envelope containing your recent gift of \$500.00, I was filled with a deep sense of gratitude. Through your donation, you have chosen to help alleviate the hurt and suffering of domestic violence victims in the Lehigh Valley.

From the victim who is being hurt physically and feels trapped economically by her abuser, thank you. From the child who has witnessed violence in her home and now believes that violence equals love, thank you. From the terrified victim who tentatively comes to court for a Protection From Abuse Order, thank you. You are helping people you've never met, who suffer so much hurt at the hands, words and actions of their abusers. Because of your caring, Turning Point will provide counseling, a 24-hour helpline, court advocacy, children's programs, safe shelter, and other life-saving services to victims within our community.

You are personally helping to stop the hurt. Again, on behalf of the staff and the victims for whom we work, thank you, thank you, thank you.

In appreciation,
