Dear Friends,

I am writing to thank you for your recent donation of 259 pounds of assorted groceries to Second Harvest Food Bank of Lehigh Valley and Northeast Pennsylvania. We serve many people with limited resources and we greatly appreciate your contribution to our efforts.

While your donation can be quantified, the impact it has on the lives of the people we serve is immeasurable. Here in the Lehigh Valley, winter is upon us and many of the people we serve are facing the tough choice of buying groceries or paying their heating bills. Because of the support of friends like you, we are able to distribute food and other grocery product to more than 66,000 people in six counties each month so they don't have to make that choice.

Your donation was accepted with the following understanding:

1. Donated product will not be sold, transferred, or bartered for money, other products, or services.
2. Donated product will be used only in the manner related to the express purpose of the receiving agency.
3. Your donation will be distributed as soon as possible by charities feeding the needy in compliance with the provisions of the Tax Reform Act of 1976.

This letter will serve as your receipt for tax purposes.

Thank you again for your support.

Sincerely,

Sharon Lee Hall
